

If you have an updated version of the Silk browser, please follow these instructions to install the Cloud Library app on your Kindle

1. Go to the home screen 
2. In the menu at the top of the screen tap on **Shop** (there will be no cost for this app)
3. Tap **Apps**
4. In the search bar type "File Manager"
5. Choose a free file manager app -- i.e.---ES File Explorer
6. Install the app. When it's finished, tap **open**.
7. Select and open the **Download** folder

8. In the downloads folder you will see the MMMCloudLibrary-3.0.12.apk icon.

MMMCloudLibrary-3.0.12.apk

9. Tap the 3M Icon and choose **install**.
10. When the app is installed you can tap **Open** (Then go to step 12 below) or **Done** and then to the **Home** screen.
11. Tap on the **Cloud Library** icon to open the app. Perform the following steps inside the app.

12. Once the app is open, tap the **Connect to Your Library** button.

13. Select your **Country** from the drop down and then choose your **State**.
14. Select your **Library** from the list.
15. Enter your **Library Credentials**, agree to the **End User License Agreements, Terms of Use and Privacy Policy**.

**Installation is complete. You are ready to use the Cloud Library.**

*Note: The dictionary feature of our app is unavailable on the Kindle Fire. This is a known issue.*
